Hi Sweetheart,

It was really nice to hear your voice today on the phone.

Cobb County had sent me most to a prison up by Gainesville, GA, up north. The people there said I could not be housed there because they did not have dialysis, so D.O.C put me on a bus and sent me pulaski, it's before you get to Perry, GA.

Cobb County would not let me bring anything with me, so I need you guys to please send me 60.00 dollars, so I can shop and get personal & food. you can call 1-800-574-5729 or go on line to [www.jpay.com](http://www.jpay.com) under inmate accounts and Thanks.

The parole people also sent me yesterday and explained to me, that I could be coming home soon, they don't understand why they bother sending me to prison, I say the same thing.

Will you call Fattie and tell her that D.O.C have me up under my AICA. Virginia Wilson, also give her my address; tell her I will try to call her again from here.
